The Town of Arlington, the City of Cambridge, and the Massachusetts Bay Transportation Authority (MBTA) are collaborating on a bus priority pilot funded by a grant from the Barr Foundation. The pilot, coming fall 2018, will include features of Bus Rapid Transit (BRT) on Massachusetts Avenue, serving the MBTA Routes 77, 79, and 350, with the goals of reducing traffic congestion and lowering carbon emissions. Come learn more about bus rapid transit, Arlington's bus priority pilot project, and the successful bus priority pilots in other communities.
